Independent Auditor's Report

To the Board of Directors of
Waterkeeper Alliance, Inc.

We have audited the accompanying financial statements of Waterkeeper Alliance, Inc. (the "Alliance") which comprise the statement of financial position as of June 30, 2015 and the related statements of activities, functional expenses and cash flows for the year then ended and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement. An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

COPY*Opinion*

In our opinion, the financial statements referred to in the first paragraph on the previous page present fairly, in all material respects, the financial position of Waterkeeper Alliance, Inc. as of June 30, 2015 and the results of its activities and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Report on Summarized Comparative Information

We have previously audited the Alliance's fiscal 2014 financial statements, and our report dated November 3, 2014, expressed an unmodified opinion on those audited financial statements. In our opinion, the summarized comparative information presented herein as of and for the year ended June 30, 2014 is consistent, in all material respects, with the audited financial statements from which it has been derived.

COPY**WATERKEEPER ALLIANCE, INC.****Notes to Financial Statements
June 30, 2015****Note 1 – Nature of organization**

The Waterkeeper Alliance, Inc. (the “Alliance”) was organized to serve as the umbrella group for the Riverkeeper, Soundkeeper, Baykeeper, and other Waterkeeper programs located throughout North America and in other countries, all of which have their own 501(c)(3) status or the equivalent. The Alliance approves new Waterkeeper programs, licenses the use of the Waterkeeper marks, represents the individual Waterkeeper programs nationally and internationally on issues of common interest, and serves as a meeting place for all Waterkeeper programs.

Note 2 – Summary of significant accounting policies**Adjustment and restatement**

During 2015, the Alliance became aware that certain revenue which had been recorded as unrestricted was in fact temporarily restricted revenue. Accordingly, as of June 30, 2014, the Alliance adjusted and restated its unrestricted and temporarily restricted net asset balances by \$67,890 to give retroactive effect to this change.

Financial reporting

The Alliance maintains two classes of net assets as follows:

- **Unrestricted**

Unrestricted net assets are used to account for the general activities of the Alliance.

- **Temporarily restricted**

Temporarily restricted net assets represent contributions and grants that are restricted by the donor for a specific purpose or pertain to future periods (timing). Once that specific purpose has been met or the time restriction expires, the funds are released and reflected as net assets released from restrictions.

Net assets that are released from donor restrictions, by incurring expenses that satisfied the restricted purposes or by occurrence of other events specified by donors, during the 2015 fiscal year, totaled \$9,630,030 and were used for the general programs of the Alliance as described in note 1 to the financial statements.

Cash equivalents

The Alliance considers highly liquid assets with original maturities of 90 days or less to be cash equivalents. At June 30, 2015 the Alliance did not have any cash equivalents.

COPY**WATERKEEPER ALLIANCE, INC.****Notes to Financial Statements (continued)**
June 30, 2015**Note 2 – Summary of significant accounting policies (continued)****Investments**

Investments are carried in the financial statements at fair value, which is based on publicly quoted prices. Realized gains and losses on investments and the change in the unrealized value of the investments are reflected in the statement of activities.

Fair value measurements

Fair value measurements establish a hierarchy that prioritizes the inputs used to measure fair value into three broad levels. The Alliance's investments are measured using Level 1 inputs, which are defined as quoted prices in active markets for identical assets that the reporting entity has the ability to access at the measurement date.

Functional expenses

The costs of providing the various programs and other activities have been summarized on a functional basis. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

Equipment

Equipment, above a nominal value, is recorded at cost. Depreciation of equipment is provided on a straight-line basis over its estimated useful life of five years.

Allowance for doubtful accounts

The Alliance has not provided for an allowance for doubtful accounts. This estimate is based on management's experience, the aging of the receivables, subsequent receipts and current economic conditions.

Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the amounts reported in the financial statements. Actual results could differ from these estimates.

The financial statements include certain prior-year summarized financial information in total but not by net asset or functional classification. Such information does not include sufficient detail to constitute a presentation in conformity with accounting principles generally accepted in the United States of America.
