Position Summary:
The Media Specialist is a dynamic, goal-oriented professional within the Communications and Marketing Department that strengthens and amplifies the Waterkeeper movement through media generation and public relations. The Media Specialist reports directly to the Communications and Marketing Director.

The Media Specialist is responsible for developing clear messaging and winning pitch strategies in support of Waterkeeper Alliance’s strategic goals. Working with local Waterkeeper groups, lawyers, and other partners, the Media Specialist will elevate our brand and thought leadership by generating media opportunities and coverage that advances clean water advocacy and solutions, legal victories, grassroots accomplishments, and more.

Primary Responsibilities:
- Work with the Communications and Marketing Director, and other team members, to develop short- and long-term media strategies that support and advance organizational work, brand awareness, and strategic goals;
- Build strong relationships with journalists that cover key issues, including but not limited to water, the environment, public health, climate change, the economy, environmental justice, and related politics;
- Identify media hooks, develop, and pitch successful stories to top-tier domestic and global media outlets to advance the vision and mission of the organization;
● Promote senior leadership through speaking opportunities and thought leadership strategies;
● Promote Waterkeeper groups as experts on issues relating to local and regional clean water advocacy;
● Write, produce, and distribute all press releases, official statements, image galleries, talking points, and other materials for media use;
● Serve as the primary point of contact for all press inquiries and coordinate requests and responses;
● Track, analyze, and report on media coverage to monitor the effectiveness of communications outreach;
● Monitor and identify media trends and opportunities to ensure all communications are innovative and newsworthy. Experience with new media preferred;
● Engage in other duties assigned by the Communications and Marketing Director.

**Minimum Qualifications**

● At least 4 years of professional public relations experience. Agency or nonprofit experience preferred;
● A bachelor’s degree or equivalent work experience;
● Exceptional writing with an ability to translate complex or scientific topics into compelling messaging targeting a variety of audiences;
● Record of top-tier international print and broadcast media placement;
● Experience working with senior executives and partners in legal, government, or nonprofit sectors preferred; knowledge of global environmental issues a plus;
● Ability to take initiative and work efficiently to complete tasks independently and collaboratively;
● Ability to solve problems, work under pressure, and maintain quality of detailed work while meeting deadlines;
● Excellent multitasking skills, including an ability to work on multiple stories at a time;
● Experience working in complex environments with a high degree of organizational effectiveness and attention to detail;
● Empathetic, with the ability to engage with and influence a variety of stakeholders, community, and staff; able to anticipate unique needs of different audiences
● A network, relationship, and community builder; socially confident with exceptional oral, written, and interpersonal communication skills;
● Keen understanding of Justice, Equity, Diversity, and Inclusion (JEDI) within an organization, across initiatives, and through navigating complex interpersonal relationships;
● Ability for occasional travel and weekend work;
● Passion for Waterkeeper Alliance’s mission; and
● A positive attitude and sense of humor.

**Job type:** Full-time
**Culture & Benefits:** Our staff and Waterkeepers are the heart of our mission, and we are committed to pursuing the principles of Justice, Equity, Diversity, and Inclusion (JEDI) as we move forward to a more equal and empowering future as an organization. We aim to create and sustain a workforce that reflects the hundreds of global communities we strive to protect in our fight for clean water, and welcome applicants from diverse backgrounds to apply to join our team!

We offer a competitive industry salary and excellent benefits, including 15 vacation days, paid parental leave (after required period of employment), work-from-home opportunities, and a healthy work-life balance to all members of our team.
